FOREWORD

The sea is the most majestic and challenging physical phenomenon on the earth's surface. Here in Beaufort County we find within its majesty ways of living and forms of recreation. While living surrounded by the sea we have become acquainted with its varied personalities—its fury, beauty, serenity and vastness.

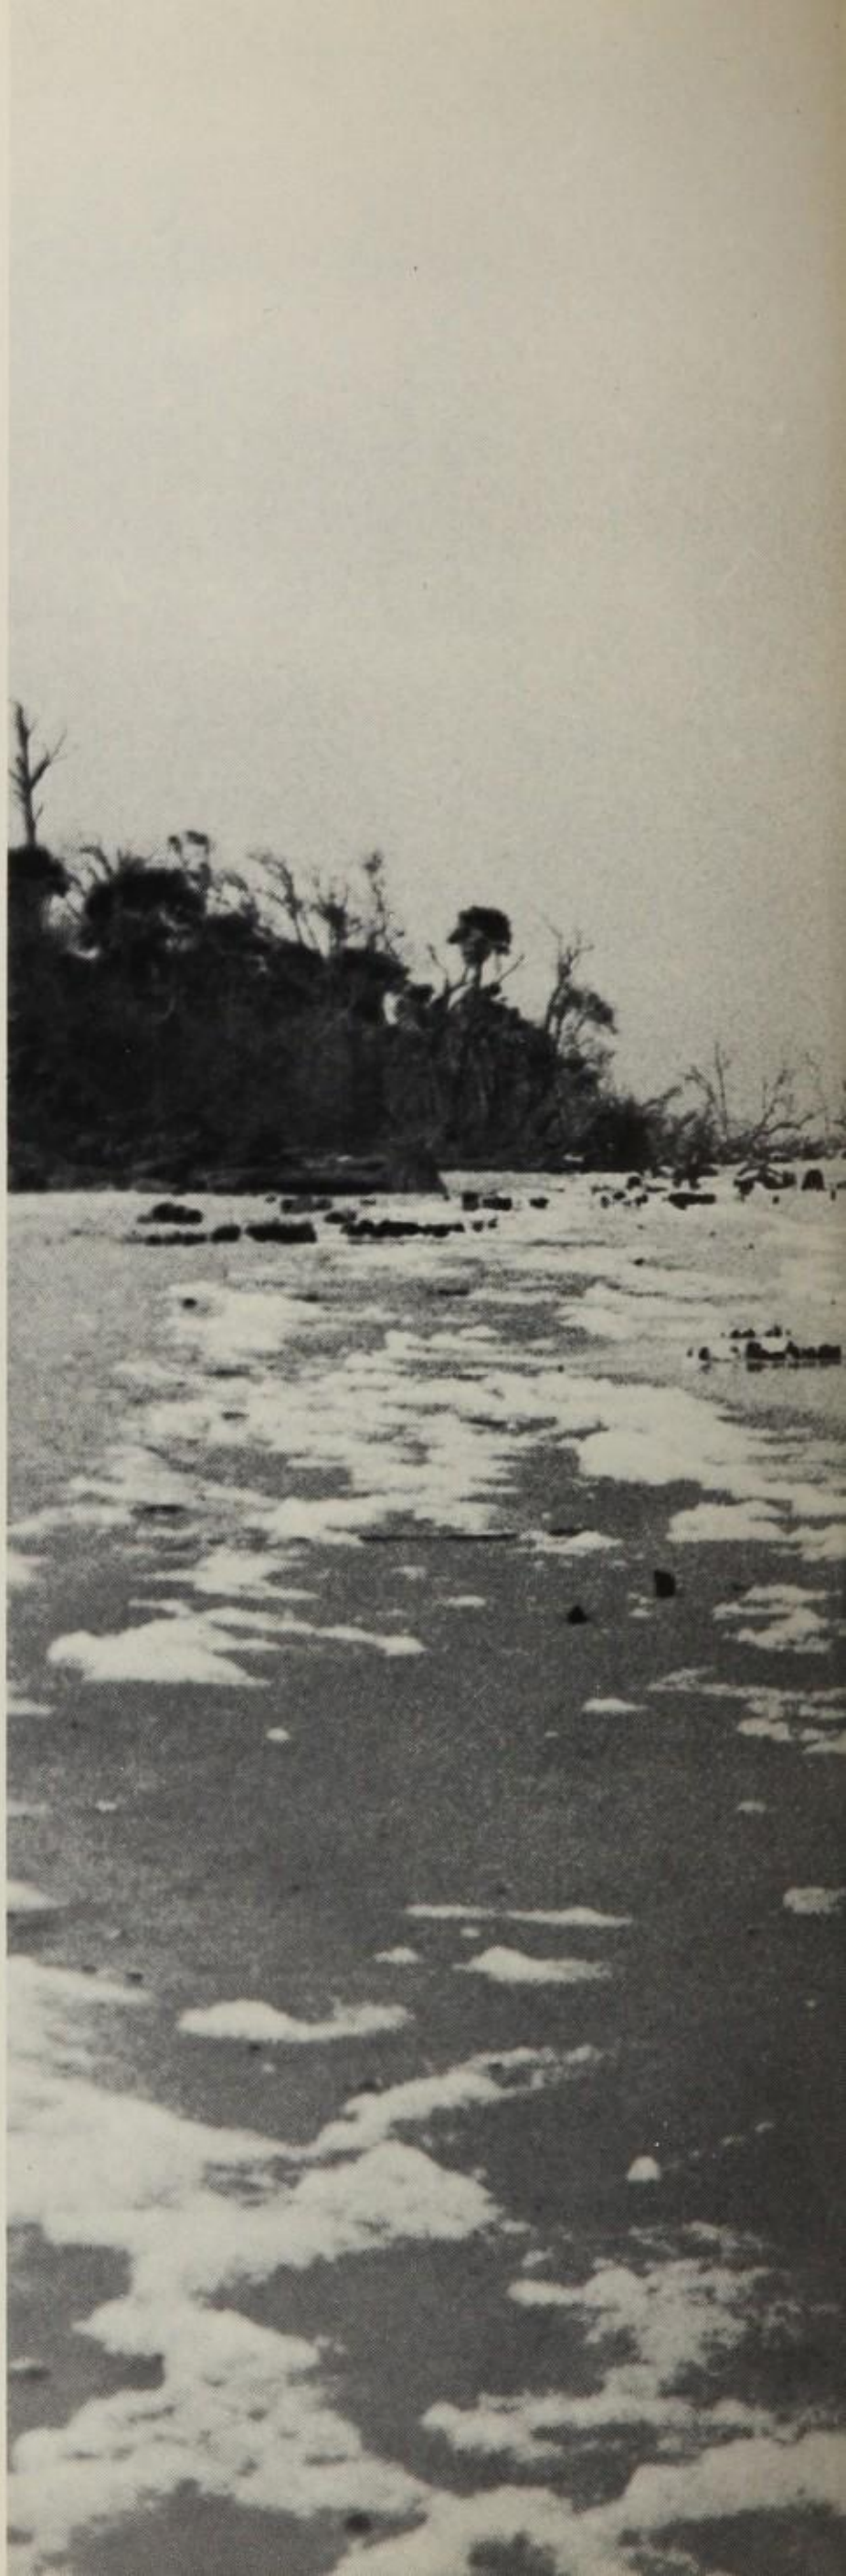
And there is a sea at Beaufort High School, a vast sea of knowledge waiting to be consumed by the thirsty minds that come in search of it; only those who seek out this sea triumphantly find it.

The sea around us affects our school and school life. The sea is in our athletic teams with the strength of the mighty "Tidal Wave" rolling on to victory or to defeat, yet in each competition learning sportsmanship and teamwork. But the sea comes in other forms too.

There are two of our fine publications whose names draw from the sea. Our literary magazine, "The Breakers", and our newspaper, "The Tidal Wave" give the students of Beaufort High School a sea of literary and journalistic accomplishments of which they can be truly proud.

As you stroll through the halls of Beaufort High School, remember that you are and always will be a part of that wonderful sea of friendship, opportunity, fun, competition, activity, and knowledge. Yes, all part of the fabulous sea of Beaufort High.

With this opportunity of being able to depict these two great seas that are an ever-present part of our lives, we present the 1963 Beaufortonian.



ALMA MATER

Beaufort, we're loyal to you,
We have done our best for you.
In all our studies and sports
We will e'er be true to
The white and the scarlet.

When all our school days are o'er
And we're out in life's great game,
We'll be happy in the memories of
Our Beaufort High.

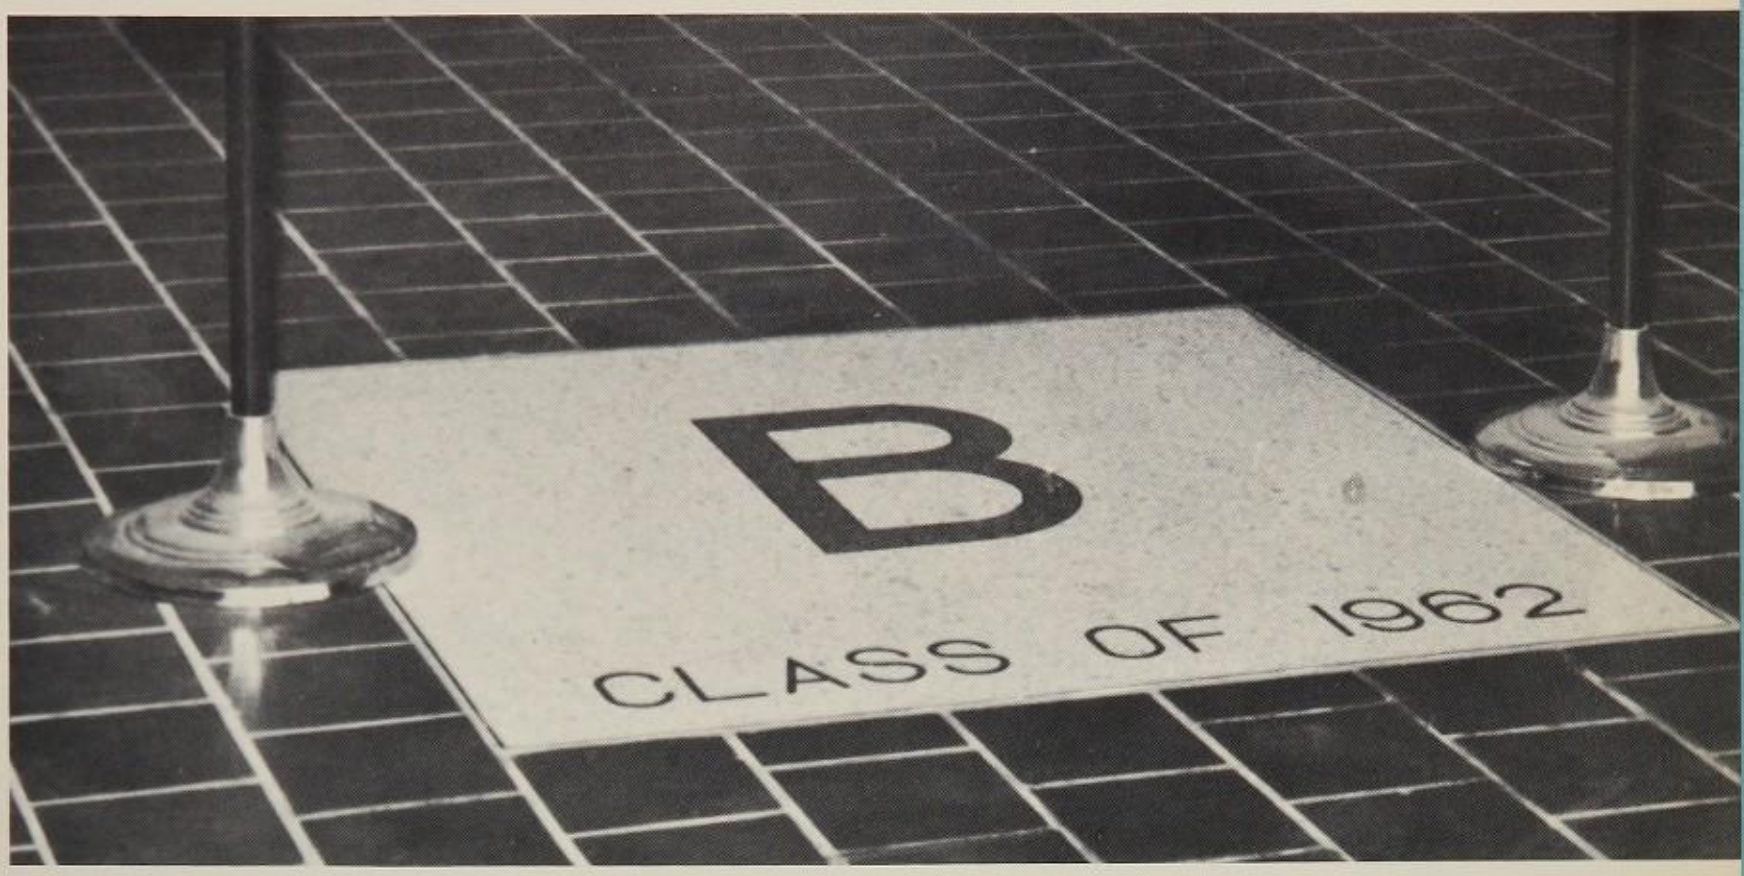
These two seas, one nature's marvel and the other surrounding us at B.H.S., are depicted in many shapes and forms. The ever-present sea, found within a few miles of your home, is reflected in the white foam and spray of a mighty wave. The stately light house still stands, the guardian of an island, which to us represents fun as well as beauty.

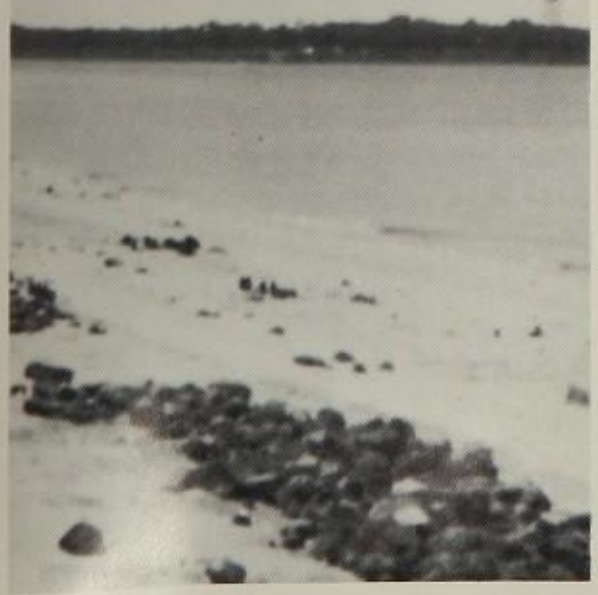
Closer inland we find the serenity of a familiar scene—the shadowy moss and palmetto along our own Beaufort Bay. A much more lively sea is reflected also, a sea of laughter and of friendship, as seen in the various aspects of life at Beaufort High School.

The sea of spirit prevailing in your school is reflected in you—the students—your dreams and your memories. A walk along the breezeway, a glance at the "B" in the entrance-way, a satisfied pride in your school—this is the sea of spirit.

Along with pride in your school comes pride in your natural surroundings. The beauty and quietness of a shrimp boat at the dock is another aspect of the watery sea. And then you see your sea of life united with nature's sea as, from your seat of driftwood, you quietly watch the waves roll in.

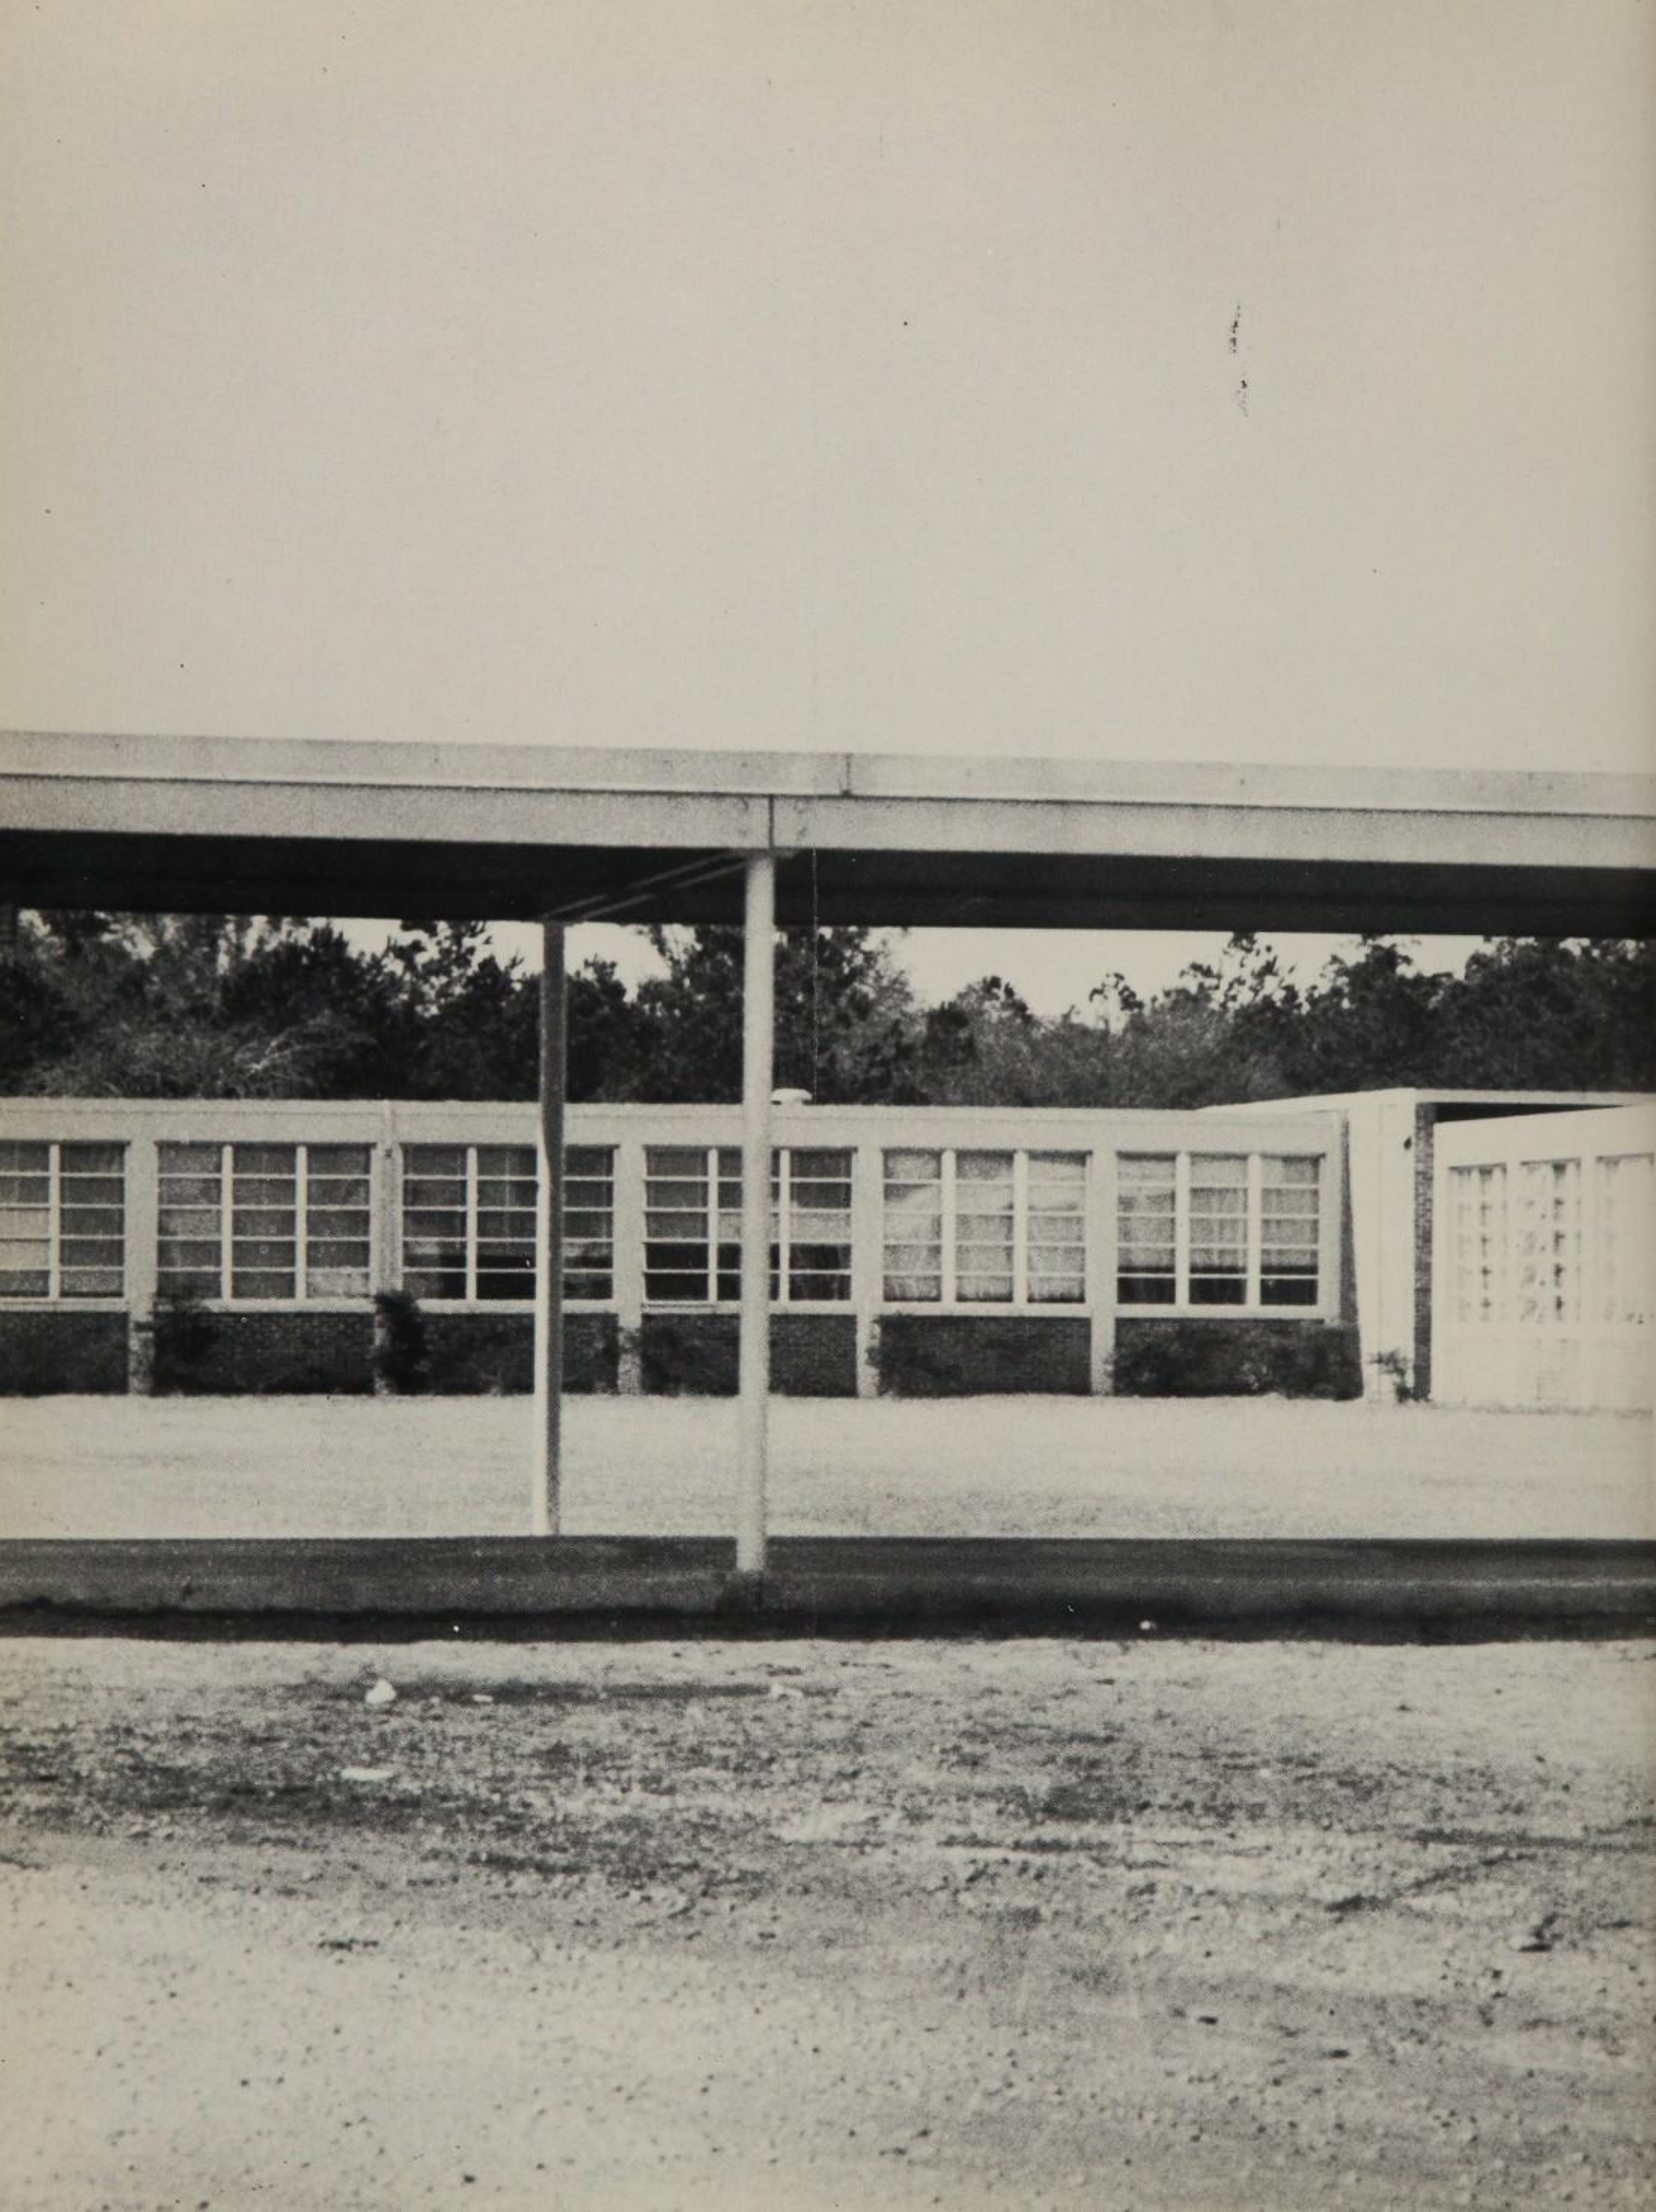


B
CLASS OF 1962

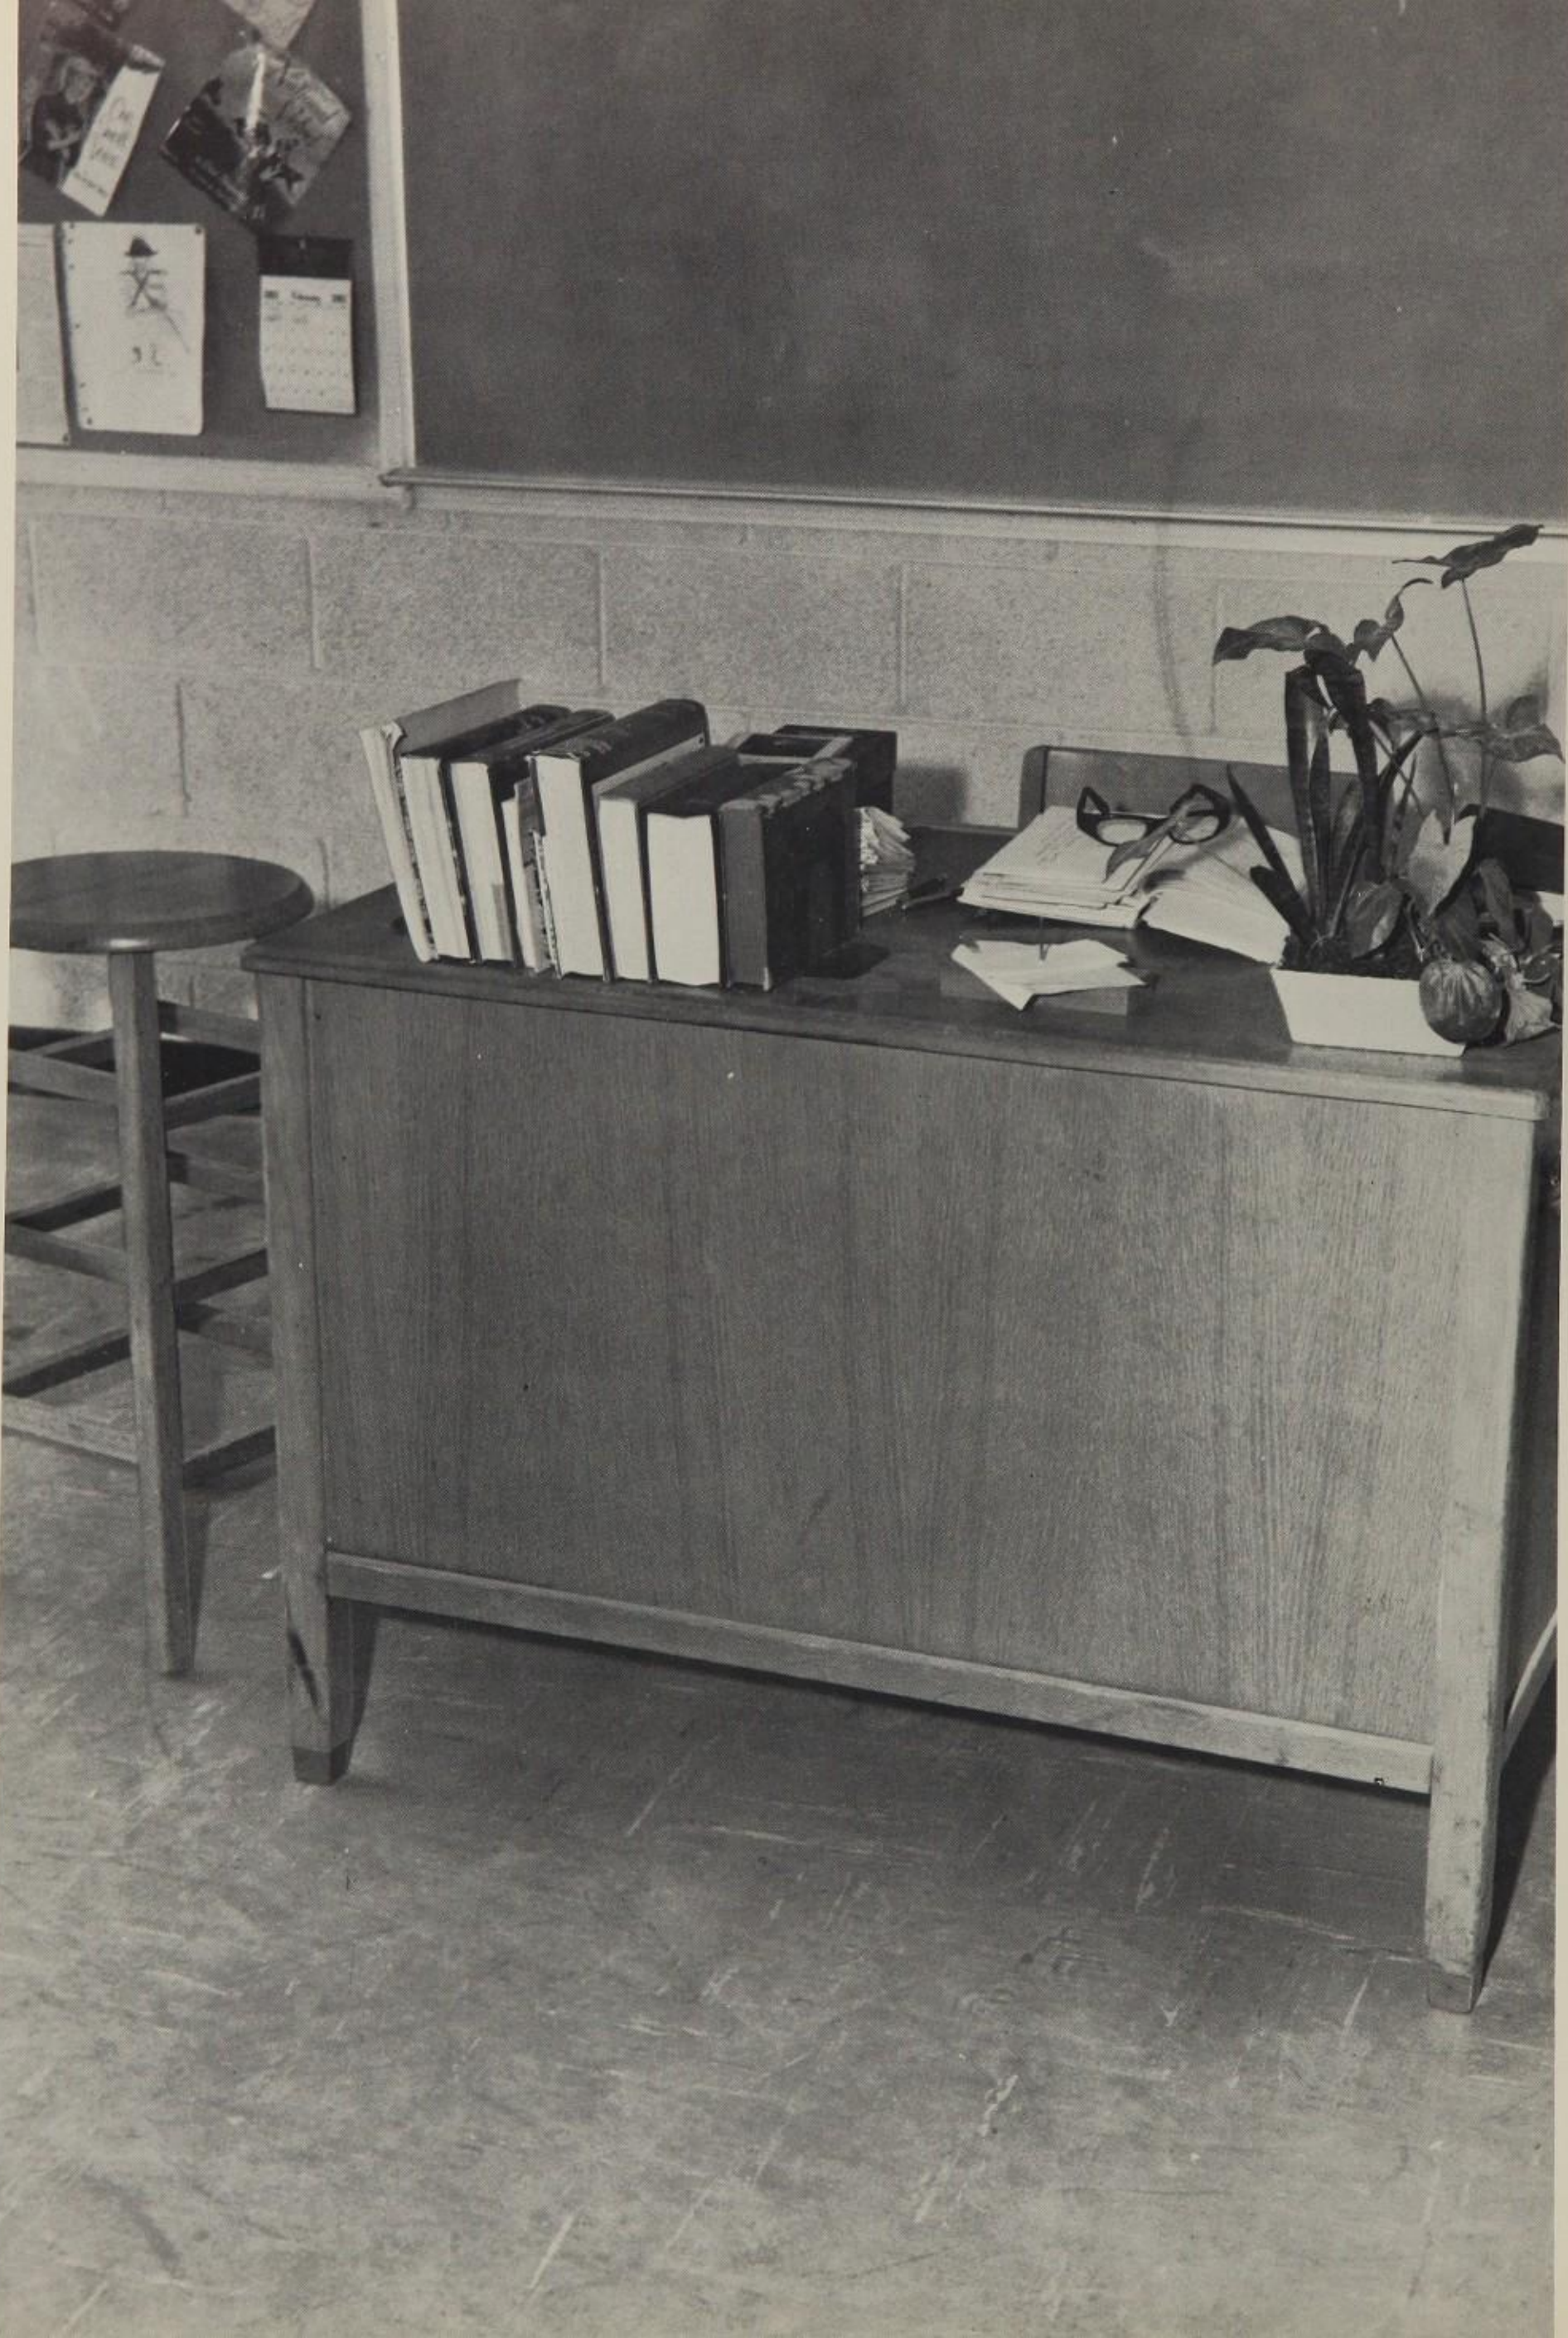


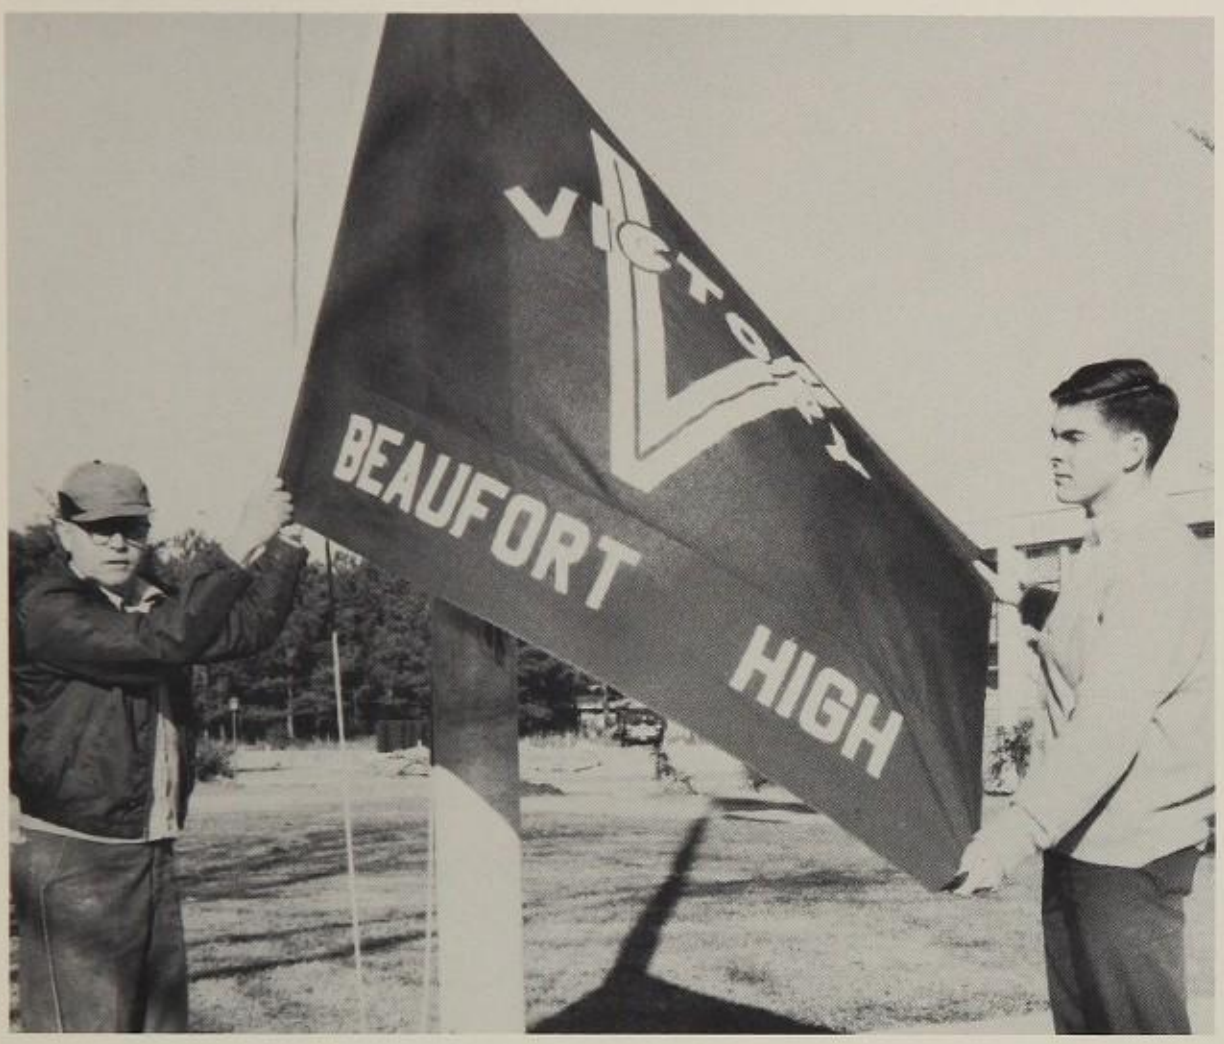
From the sea of knowledge comes the picture of the thirst for intellectual achievements as reflected in this history lecture before a group of interested students. This lively interest is contrasted by the scene picturing the reflection of clouds in the still water surrounding a lonely dock and the rustle of sea oats on a dune near the beach.

May the year 1963 live forever in the minds and hearts of those who have contributed their thoughts, ideas, and spirit to the sea of Beaufort High School.



SCHOLARSHIP

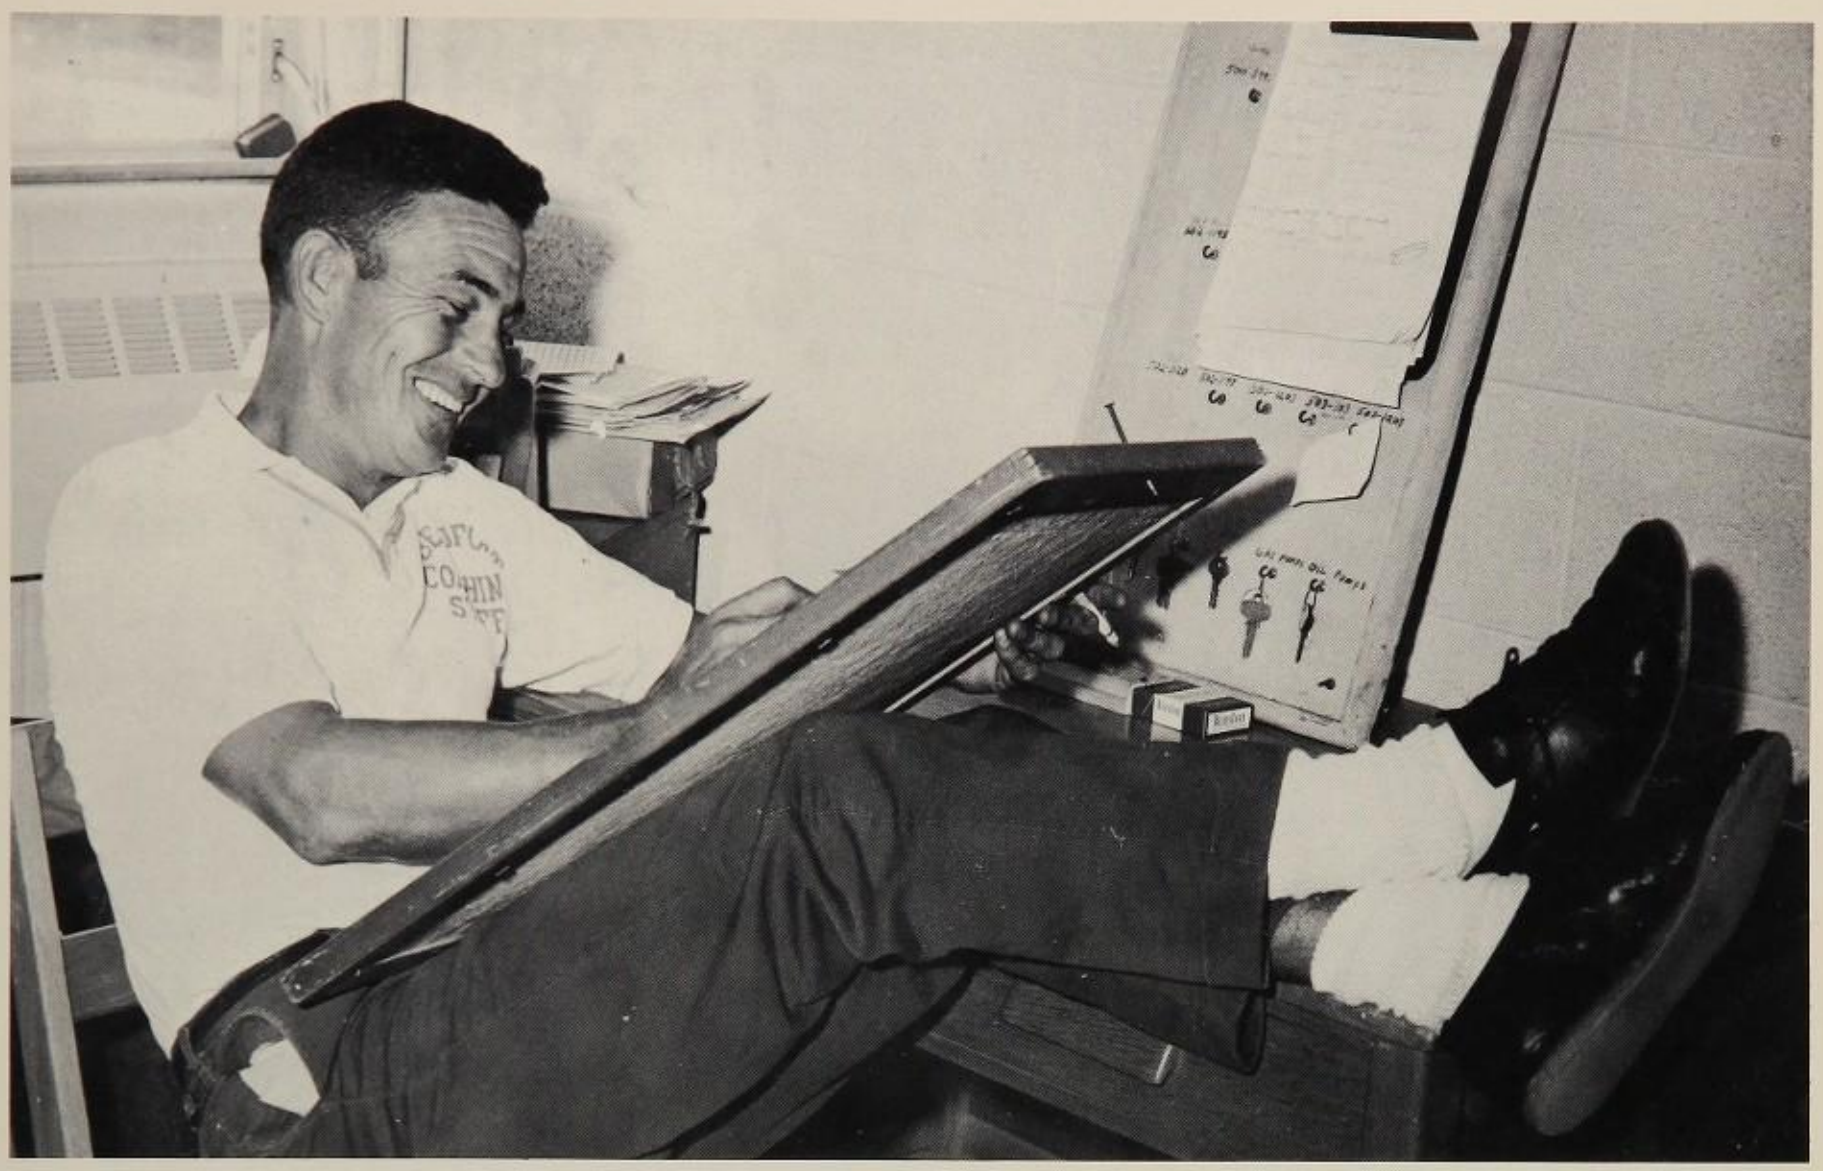




FACULTY

An empty desk is symbolic of what the school is without its faculty. Everything on it points to the personality of the teacher, but it has only a potential value to the student. It cannot of itself offer any knowledge, understanding, friendship or guidance. Indeed, the spirit of scholarship does not exist within an empty desk or an empty school building. It is a vital thing that only living minds and hearts can produce; it is the relationship between faculty and students. With respect and admiration we acknowledge that our faculty and the spirit of scholarship which they engender in us is the heart and soul of our school.

COACH FRANK SMALL



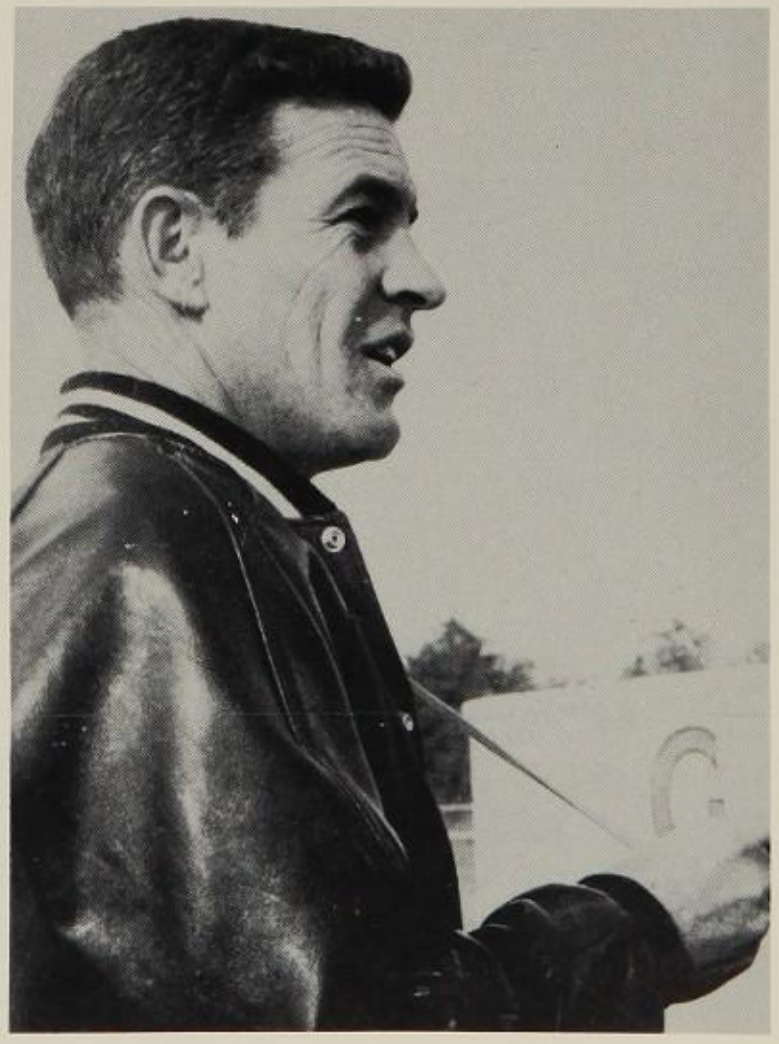
DEDICATION

"In all our studies and sports
We will e'er be true to the white and the scarlet . . . ."

. . . . because of what you have taught us about sportsmanship and the value of the true competitive spirit. You have shown us the importance of playing at our very best, that in winning or losing we always do so with honor.

In appreciation of your loyalty to Beaufort High School, your many valuable contributions to its improvement, and above all, your guidance and friendship, we dedicate this 1963 Beaufortonian to you . . .

COACH FRANK SMALL



MR. WILLIAM E. DUFFORD
Principal

Mr. Dufford has succeeded in establishing at Beaufort High School an atmosphere of friendly co-operation and respect between the teachers and students. He has retained discipline more through an honor system than through dictatorship.

We appreciate the interest that he shows in all of our activities and in each one of us personally as well as the trust that he places in us both as a group and individually. Under his guidance the student body and the faculty have improved and enlarged in all areas of scholarship and extra-curricular activities.

MRS. NORMA DUNCAN
Secretary

MR. J. M. RANDEL, JR.
Superintendent

Beaufort schools have been under the superintendency of Mr. Randel for the past four years. In this time they have made continual advances in all areas. Our school especially has benefited from his able administration in both curricular and extra-curricular activities. Because of his help we now have exceptional educational facilities and the latest equipment as well as an excellent faculty and staff.

Psychology

At Beaufort High School, all students are required to complete four years of study in the field of language arts, English, before graduation. For this reason the English department occupies a position of vital importance in the curriculum of the school. Its teachers, because of a constant contact with the students, have an exceptional opportunity to influence the intellectual and emotional development of the individual. Toward the goal of increasing initiative within the student and better facilities within the department, our teachers have continually worked, adding imagination and vitality to teaching methods and expanding the scope of the English

department's activities. Our teachers do not make a habit of always "teaching strictly by the textbook," in fact, they make a point of encouraging original and creative thought . . . and have made the department something of a workshop, devoted to the development of the individual student's artistic and intellectual abilities and talents. They use such experienced teaching methods as the District Art Project and the Ann Head Morse Workshop for creative writing, as well as the traditional four years of English, creative writing, advanced composition course, and business English in the English program at Beaufort High.

FOREIGN LANGUAGES DEPARTMENT

The foreign language program has been extended this year to include a fourth year of French and a second year of Spanish. Three years of a classical language, Latin, are still being offered.

The language laboratory, equipped with microphones and earphones, is of vital importance to the teaching of both French and Spanish. However, an experimental program of filmstrips and tape recordings in basic French, known as "Voix et Images," has added another enrichment to the complete French program at Beaufort High.

Students are reading, speaking, and understanding with a greater ease their newly "planned" languages.

HISTORY DEPARTMENT

The history department of Beaufort High School has a dual purpose. First, the department hopes to acquaint the student with his heritage and the tradition of the society in which he lives. Second, the members of the department strive to equip the student with a knowledge of history, government and economics so that as a citizen in a democracy he may be able to make intelligent decisions in a complex political and economic situation.

The science department at Beaufort High School this year includes biology, chemistry, earth science, physics, and advanced science. Each year the Science Fair plays an important part in the program of studies. It provides an opportunity for the students to display their skills in scientific research and application. The interest in science has increased greatly in recent years and this well-staffed department provides a challenge for every student at Beaufort High.

MATHEMATICS DEPARTMENT

The mathematics department offers such subjects as Algebra I and II, plane geometry, advanced mathematics and an old course with a new name, "Contemporary Trigonometry and Advanced Algebra." Algebra courses on television have been used to the advantage of both teachers and students in this department. Along with these select mathematics courses we have fine teachers who provide their students with a suitable knowledge, both basic and advanced, for a well rounded education.

BUSINESS AND VOCATIONAL DEPARTMENT

The objective of the business department is to prepare students for initial placements in jobs after graduation from high school and for advancement in these jobs. Business courses provide training in skills such as typing and shorthand which are valuable to college students.

In the vocational department, home economics provides girls with experience in the household arts, buying, and human relations. Boys develop technical skills in woodshop and mechanical drawing courses. The vocational department plans expansion in the future, with more courses offered and more extensive education available in these areas.

Both departments are above all interested in training independent skilled members of society.

MUSIC AND SPORTS DEPARTMENT

The main purpose of the physical education department is to give all students at Beaufort High School a program which will promote physical fitness and good sportsmanship.

Within the music department, the band and chorus provide opportunities for students who are musically talented to have training and experience in this field.

These two departments accomplish much besides giving students a more well-rounded education, however. They enrich the whole atmosphere of the school through intramural tournaments between physical education classes, pep bands at basketball games to promote even greater spirit, and various programs throughout the year which they present for the enjoyment of the student body and, in fact, of the entire community.

MAINTENANCE STAFF

The maintenance staff at Beaufort High School is ably headed by Mr. Emmett Collins our custodian. It is through his efforts that the building is always at its very best. His services and generosity go beyond just his ordinary duties, however. He takes a much appreciated interest in all of the students' activities and is always available and willing to help when we need him.

The hard-working lunchroom staff provides nutritious hot lunches for the students at a nominal fee.

CLASSES

A great enthusiasm for class spirit exists among the students of Beaufort High School. During intramural competition, however, on occasions of competition with other schools, or events that concern the whole student body, the feeling of loyalty for the school, and the desire for victory, strongly overshadows any contrasting opinions of individual classes.

FAIR EXCHANGE

After six weeks of rehearsing, opening night had finally arrived. With the rising of the curtain, the audience was lured into the make-believe world of "Fair Exchange" by the members of the Senior Play Cast.

Last minute preparation

"I HAD A HALO ONCE, but . . ."

"You join them Lady Flesh Pot "

"Who were you expecting—the milk-man?"

"Stella—Hal"

"Boys and Girls, this is Ched Armstrong . . ."

OUR SENIOR TRIP

"We will never forget it. People with whom we were only passing acquaintances at school became cherished companions. We now appreciate our heritage more, what it stands for, what it has been, and what it will be. We realize we are a part of that future and very to be indeed. We know that from this trip we will become better South Carolinians but more important we will become better Americans."

FEATURES

In order to break the monotony of constant study and responsibility the students participate in colorful events. Some events stir class spirit, some create enthusiasm for honors and rewards, some promote knowledge in specified fields, some instill pride in our community, and others bring the students together as a unified body trying to achieve a goal. All create lasting memories of Beaufort High School.

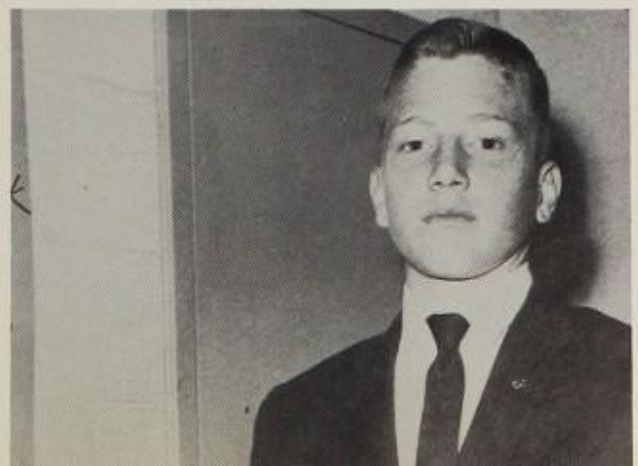
HALL OF FAME

Beaufort High School annually selects outstanding students to its Hall of Fame. A boy and a girl, representing each class, are chosen on the basis of character, scholarship, achievements, and extra curricula activities. These people are the leaders of BHS and the leaders of our nation and our world in the years to come.

Barry Johnson, Junior

Chee Fordham, Freshman

Skip Olson, Sophomore



JUNIOR - SENIOR

Silhouettes by Carew Rice will be treasured by all for years to come.

Pretty flowers from a quaint cart served as souvenirs for the many guests attending the annual occasion.

Waiters and waitresses, dressed as French chefs and maids, performed their tasks diligently amid the gay surroundings.

Amid the shadows of "La Tour Eiffel" and "les shoppes de Paris" and the sounds of the Citadel Bulldogs, "Gâite Parisienne" was the very successful 1962 Junior-Senior.

A beautiful fountain graced the scene, as French maids and chefs fluttered through their duties and flower vendors sold their wares to the many guests.

Carew Rice, renownea sillouette artist, was attired in his beret, completing the scene. He snipped away souvenirs for the many people attending the dance.

Couples danced and talked and friends enjoyed themselves. Strangers to BHS made lasting friendships. Memory books were passed around for a signature or a friendly word. The night was truly a night to remember.

"GÂITÉ PARISIENNE"

Class officers led the couples in the grand march of the "Gaite Parisienne."

Friendship was evidenced throughout the night.

There were many everlasting memories.

Dancing provided fun and pleasure for everyone.

Everyone had a wonderful evening.

The Seniors, although small in number, claimed the victory.

This is a queen?

POWDER BOWL

As always, in 1962 the BHS Powder Bowl was great fun. The Junior and Senior girls were an apprehensive group as Twirp Week and the Powder Bowl game approched. Juniors found the game of football a fascinating experience and Seniors were determined to find revenge for their 1961 defeat. As Saturday came nearer, competition was keen and spirit high among the upperclasses. The game was a fiercely fought battle, with the Seniors winning a coveted victory, 13 to 6.

It's the half! Oh! We've got to win.

The Juniors were large in number and high in spirit.

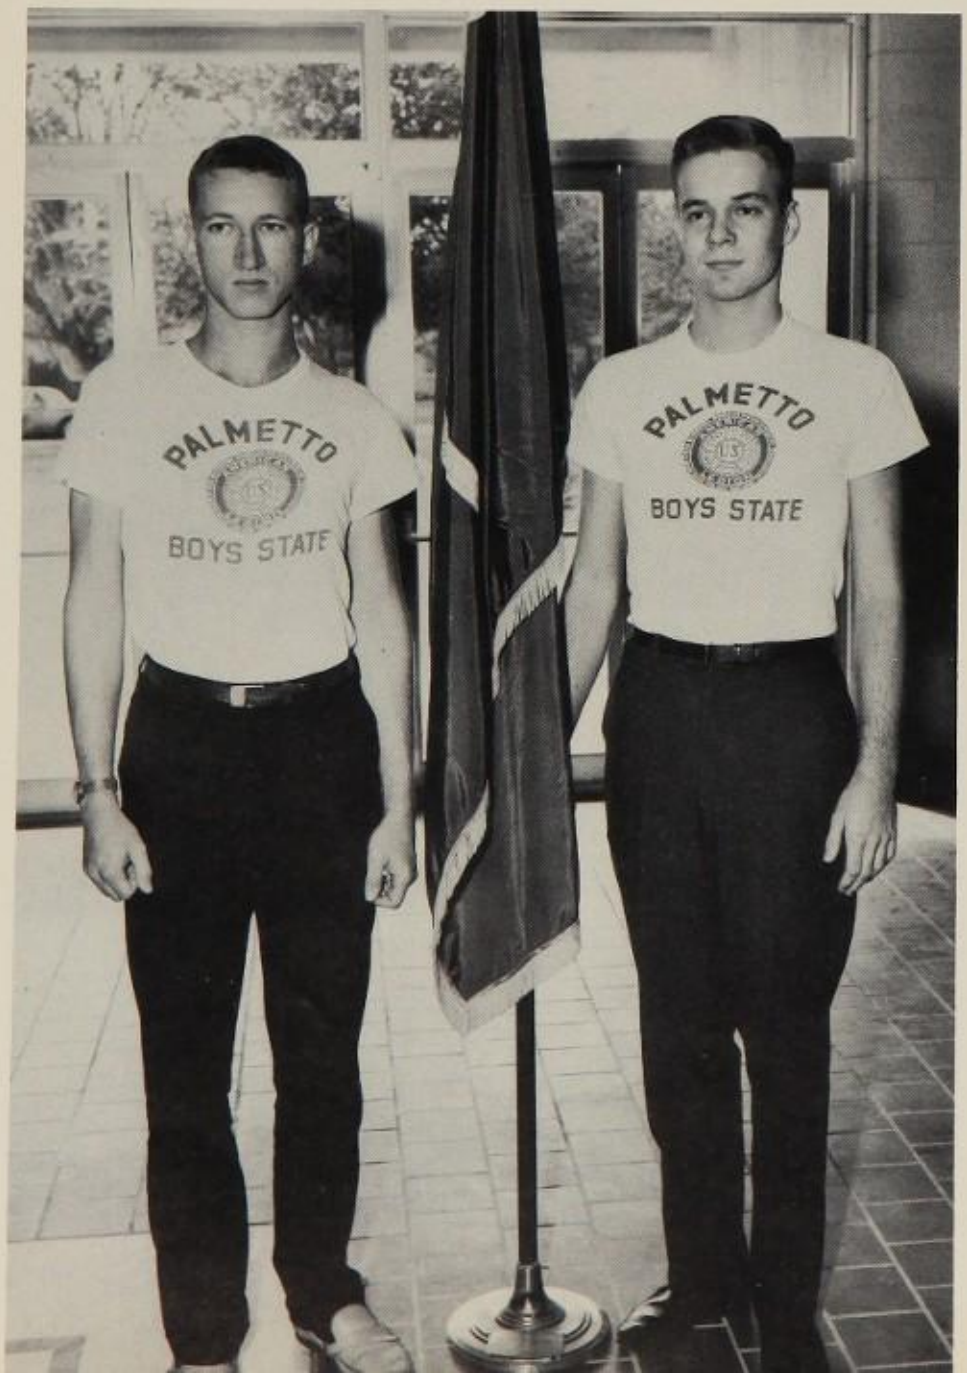
JUNIORS VS. SENIORS

Oh, what a beautiful group of girls!

Come on, ya'll! You can win this game!

SEASIDE

Seaside, the newly reopened youth center, is the weekend retreat of B. H. S. students. Under the direction of Mrs. James Payette and its officers, Seaside provides entertainment and recreation for all who wish to attend.



BOYS' STATE

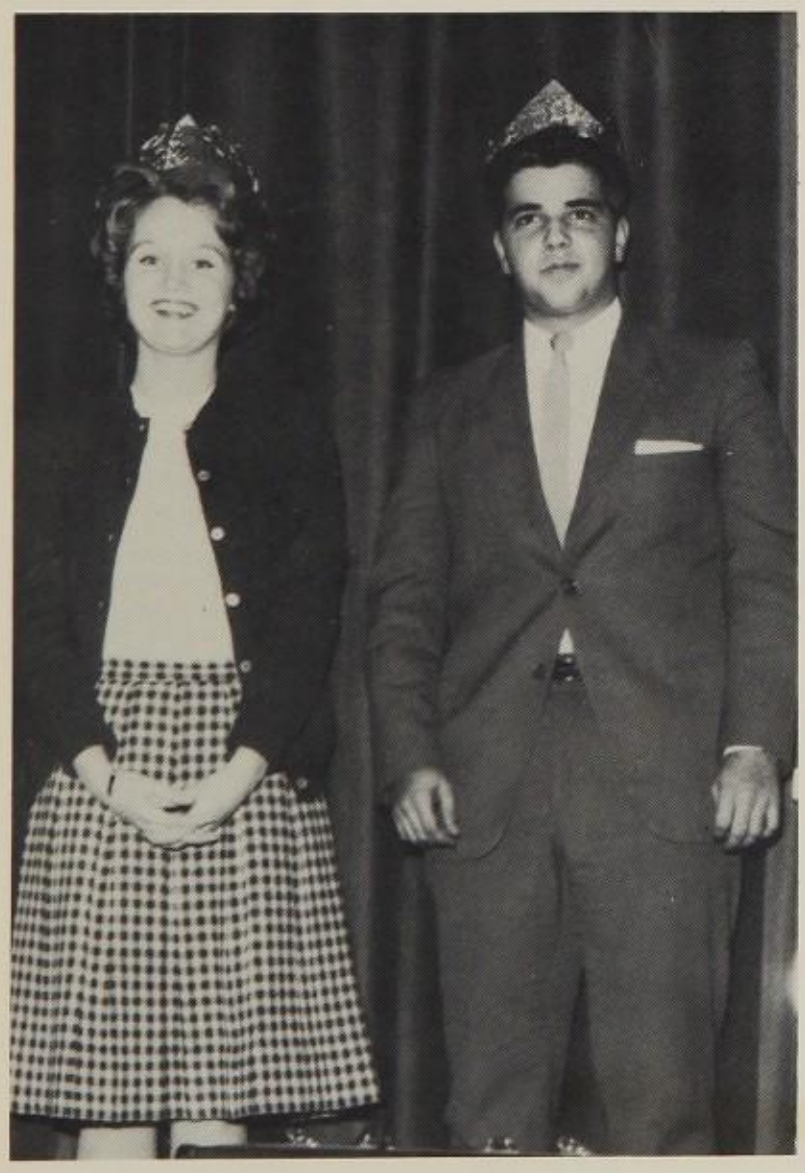
Young men, who are juniors in high school and who are selected by their local American Legion participate in Boys' State. They visit the capital of their state and take part in the governing of the state through a junior legislature. By carrying out the duties of the offices to which they are elected, they are able to better understand and appreciate the operation of their state government. This helps make them better citizens of their city, state, and nation.

FUN AT B. H. S. !

Beautiful faces smile as the judges make their decision.

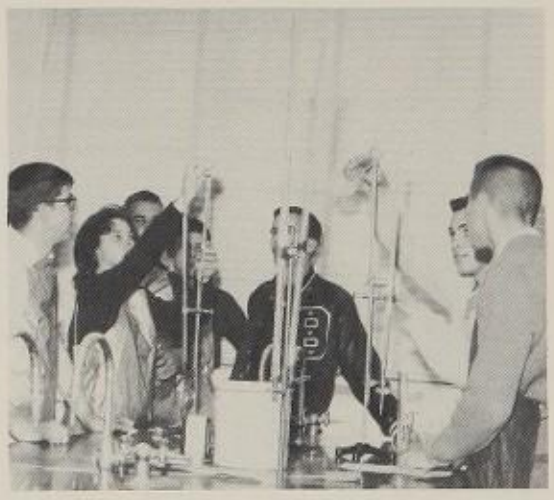
Fun is a familiar word at Beaufort High. It comes in all different forms — beauty contests, carnivals, fund raising projects. Pictured here are the Sweetheart Beauty Contest, the March of Dimes King and Queen, and the Junior Carnival.

The Sweetheart Beauty Contest is an annual event to raise money for the Junior class. The loveliest of B.H.S. are seen in this pageant. The March of Dimes King and Queen are elected by a money vote of the student body. This money is contributed to the March of Dimes drive. The Junior Carnival, another project which adds to the Junior class treasury, provides laughs and fun for everyone!



Queen Nancy Nicholson and King Oswaldo Mujica greet the audience.

Grab! Everybody gets a prize.



ACTIVITIES

The students of Beaufort High School take active participation in the various activities in order that the school may retain high prestige. In addition to the benefits for the school, participation creates responsibility, rewards excellence, and promotes specialized interests. Beginning in the summer with the first work on the *Beaufortonian,* students continue through the school year with classes, week-end dances, and victories in all that they do.

NATIONAL HONOR SOCIETY

The National Honor Society is the highest honor organization in the high school. Each member has a grade point ratio of 2.75 and is selected by the faculty on the basis of character, scholarship, leadership and service. They work together to help the students develop a sincere interest in scholarship and character.

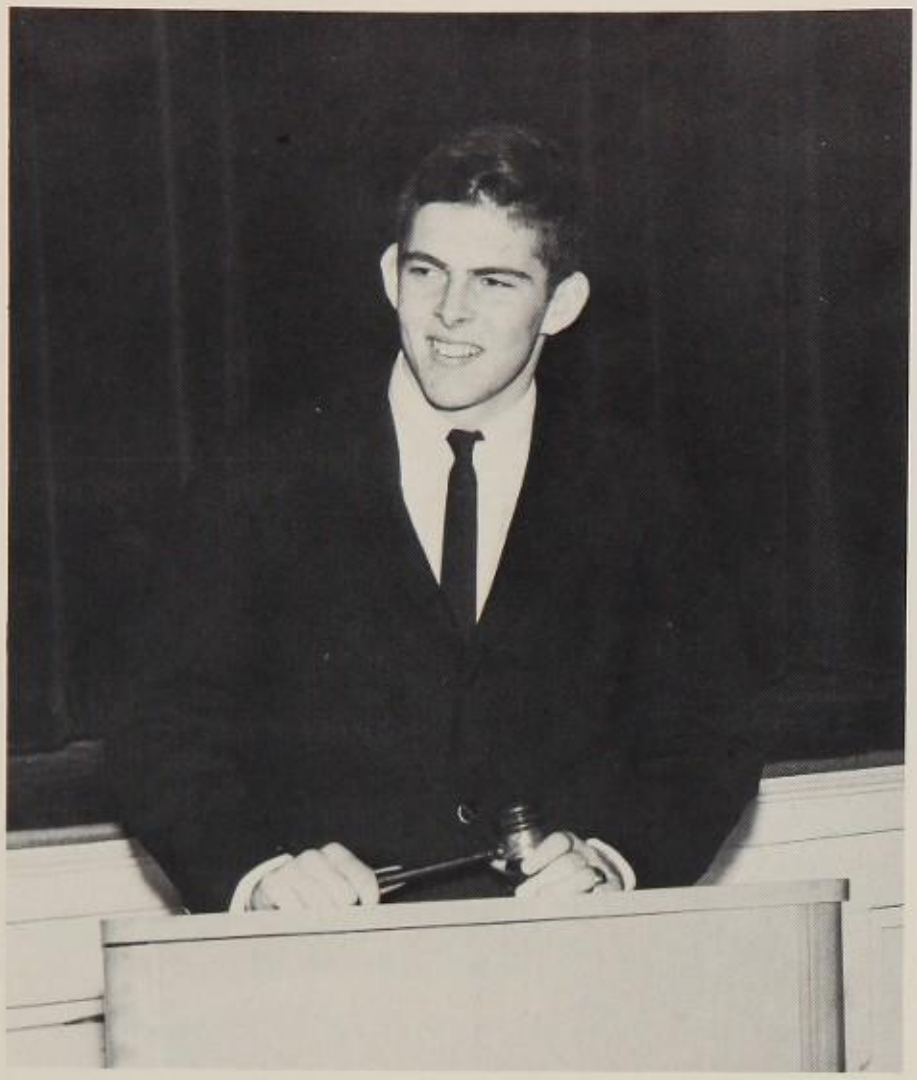
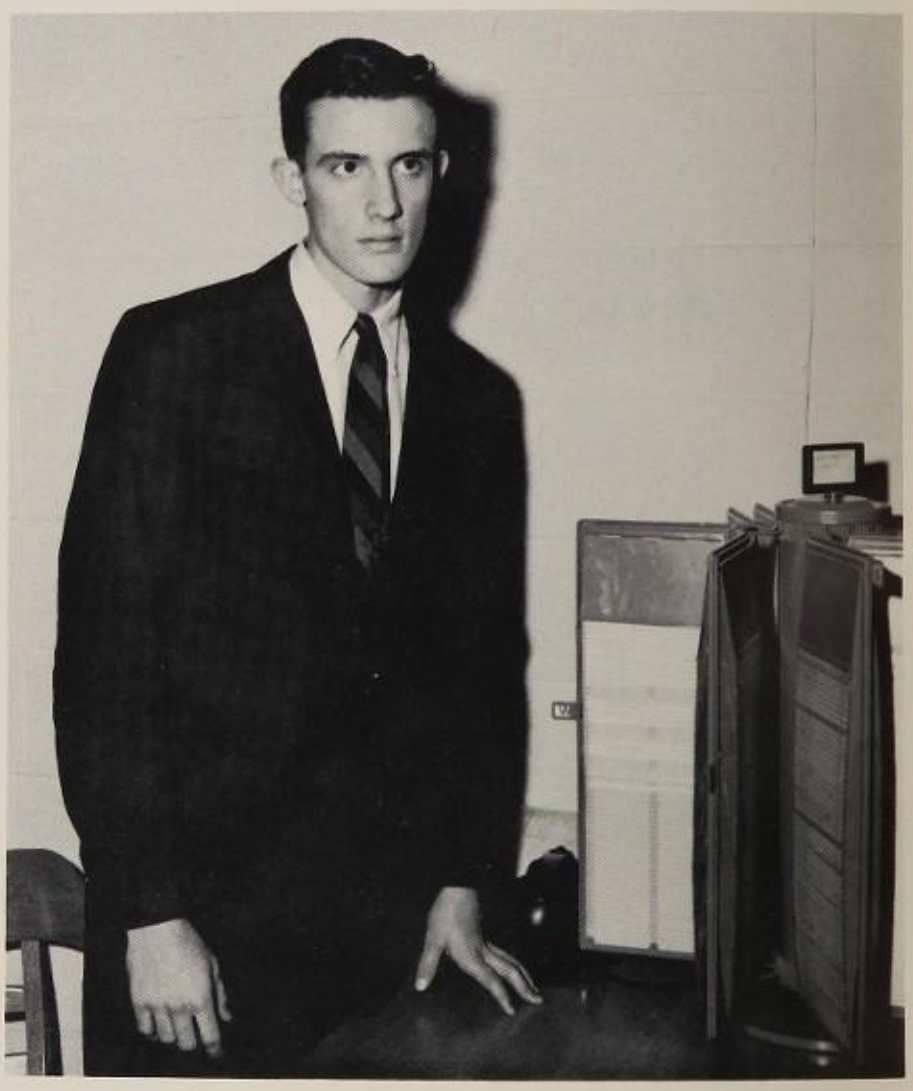
STUDENT COUNCIL



PRESIDENT: Bruce Harper

VICE PRESIDENT: Gary Fordham



SECRETARY: Carol Olson

The Student Council is a very important organization in that its duty is to unify the school. Each homeroom elects a representative and an alternate to participate in the meetings.

Meetings are held weekly durina school to keep the students well informed of important activities.

Operating as a service organization, the Student Council collects yearly for the United Fund. The representatives daily monitor the halls and lunch line to maintain order in a growing school.

SPONSORS: Miss Smoak and Mr. Moseley.

The Pep Club was organized this year by the Student Council to allow each student to participate in arousing school spirit. Pom-poms and programs are sold at the different games. They also designate special seating in the bleachers for the students to boost team spirit.

B. H. S. GLEE CLUB

The Beaufort High School Chorus is composed of girls who enjoy singing in a group for the enrichment of others. The club holds special programs at the school during assembly for the enjoyment of the student body and the faculty. These programs are scheduled for the special times of the year, such as the Christmas season. This year, during the month of December, the Chorus was asked to sing for the Rotary Club. The program was well received by all present. The music learned by the club varies from popular songs to folk and school songs. Everyday, during the sixth period, the members practice under the direction of Jeannie Black.

Officers: President—Jimmy Sammons, Vice President—Barry Johnson, Secretary—Robert Padgett, Treasurer—Cliff Weaver.

BLOCK 'B' CLUB

The Block "B" Club is composed of the students of Beaufort High School who have earned a letter in some type of sport, whether it be football, basketball, baseball, or track. This includes the varsity cheerleaders who are allowed, as a reward for their service to the school, to keep the letter which they have worn all through the year.

The purpose of the club is to create an enthusiasm for better athletics and to promote the school spirit of the student body. The club sold pom-poms and programs at the football games and at the end of the season, they sponsored a banquet for the players. At this banquet the fooball awards were presented. This year the members have done much to renew the students' confidence in the might of the teams.

LITERARY MAGAZINE

The Literary Magazine Staff was organized to promote the student's interest in composition. Each year the staff produces a magazine composed of poetry, short stories, and sketches written by the students of Beaufort High. The Sectional Editors collect the works in their fields from the different English teachers, separate them and organize them so that they might be printed neatly. There are also some deserving awards given by the club to the individual writers who have shown the most outstanding ability.

Sectional Editors: Pat Conroy, Julie Zachowski, Stephanie Edwards, Daralee Dragon, Becky Vernon.

Assistant Editor: Charlotte Ward; Editor: Kathy Madore.

Officers: Secretary—Alexia Jones, President—Lynda Kirkland, Vice President—Lyn Josey, Treasurer—Jane Staples.

SPONSOR: Mr. Ellis.

FUTURE TEACHERS OF AMERICA

The Beaufort High School Future Teachers of America is a service organization composed of students who are planning to teach in the future. The members aid the teachers and the school by substituting in classes and correcting papers. This year individual members have gone to the grammar school to observe the methods of teaching small children and to help the teachers. The club also plays a major role in the observance of National Education Week and offers a scholarship to a worthy member.

SCIENCE CLUB

OFFICERS: Vice-President, Kathy Madore; Treasurer, Alexia Jones; Secretary, Terry Ryan; President, Allen Ryan.

SPONSOR: Mr. Gnann

The Science Club was founded to help students gain a more sincere interest in science. During the year, the members made field trips and an effort is being made to bring lectures to the meetings. Perhaps the most important project is the Science Fair, instituted to further interest in science throughout the student body.

KNEELING, LEFT TO RIGHT: Terry Ryan, Alexia Jones, Kathy Madore, Allen Ryan. FUTURE BUSINESS LEADERS OF AMERICA

SPONSOR: Miss Whitehurst

The Future Business Leaders of America was formed last year by students majoring in the business field in high school. It was carried into this year, also, to further the students' knowledge of the business field and its opportunities. The club also helps the members to grasp a further understanding of what they are learning in classes. Existing as a small organization, each individual obtains the required attention.

LEFT TO RIGHT: Susan Schmedlin, Lyn Dreschler, Georgia Davis, Linda Neidich, Betsy Bowers, Frances Mackert, Miss Whitehurst.

FUTURE NURSES

SPONSOR: Mrs. Raper

The Future Nurses Club of America consists of Sophomore, Junior, and Senior girls interested in the career of medicine. As a service organization, the club tries to improve health in the school and community.

The Junior and Senior girls work on week-end shifts as Nurses—aides at Beaufort Memorial Hospital. The club raised money this year to send off to foreign hospitals in need.

JUNIOR RED CROSS

Membership in the Junior Red Cross provides many opportunities for youth to serve others locally, nationally, and internationally, and to develop skills in leadership ability, and civic responsibility. Athough most of the Junior Red Cross programs are part of regular school work, many are carried into the community.

SPONSOR: Miss Trowell

ATHLETICS

The purpose of athletics at Beaufort High School is to promote good sportsmanship and a healthy spirit of unity within the student body. From the little leagues to the Junior Varsity, to Varsity sports, our athletes gradually gain experience and training. These traits, coupled with the desire to win, raise the Victory Flag for Beaufort High School.

Dumping Chicora in the opening game, the Tidal Wave fought hard to overcome a 6 point deficit. After scoring in the second half to take the lead, the strong Beaufort defense came onto the field and protected a 13-12 win.

Endless was the battle against the Blue Devils when the Tidal Wave ventured to North Charleston. Outclassed by a more experienced team, the Wave found themselves on the short end of a 26-0 score. A forfeit, however, put this one in the Beaufort win column.

Tactics carefully planned failed to bring about desired results as the Tidal Wave lost a squeaker to Walterboro. A late quarter passing drive fell incomplete on the five yard line, ending the game in a 7-6 loss.

Energy expended went for naught as an outclassed Tidal Wave eleven was downed 28-0 at the hands of the Garrett Falcons.

Rampant Georgetown proved too much for Beaufort as the Wave fought a fruitless battle. A 40-13 loss left them with a 2-3 record.

PLAYERS

Misery was felt at St. Andrews as a strong Rock team capitalized on Beaufort errors and "seawalled" the Tidal Wave in a 25-0 win.

Invading Wade Hampton looking for their third win, the Tidal Wave met the Red Devils. Unable to get their offense moving, the Wave suffered a 20-0 defeat.

Never relenting in their battle with Bishop England, the Tidal Wave penetrated the sturdy forward wall of the opponent. The lopsided score, in favor of the Bishops, showed no sign of the untiring efforts by the Wave.

Ending a six game losing streak, a far superior Tidal Wave came on strong as they battled foul weather and Batesburg-Leesville in a 21-6 win.

Defying fourth quarter predictions by the Bantam rooters, the Tidal Wave put on a well executed drive that led to seven points with minutes left in the final quarter. Handing Charleston a 7-6 loss, the Wave finished the season with a 4-6 record.

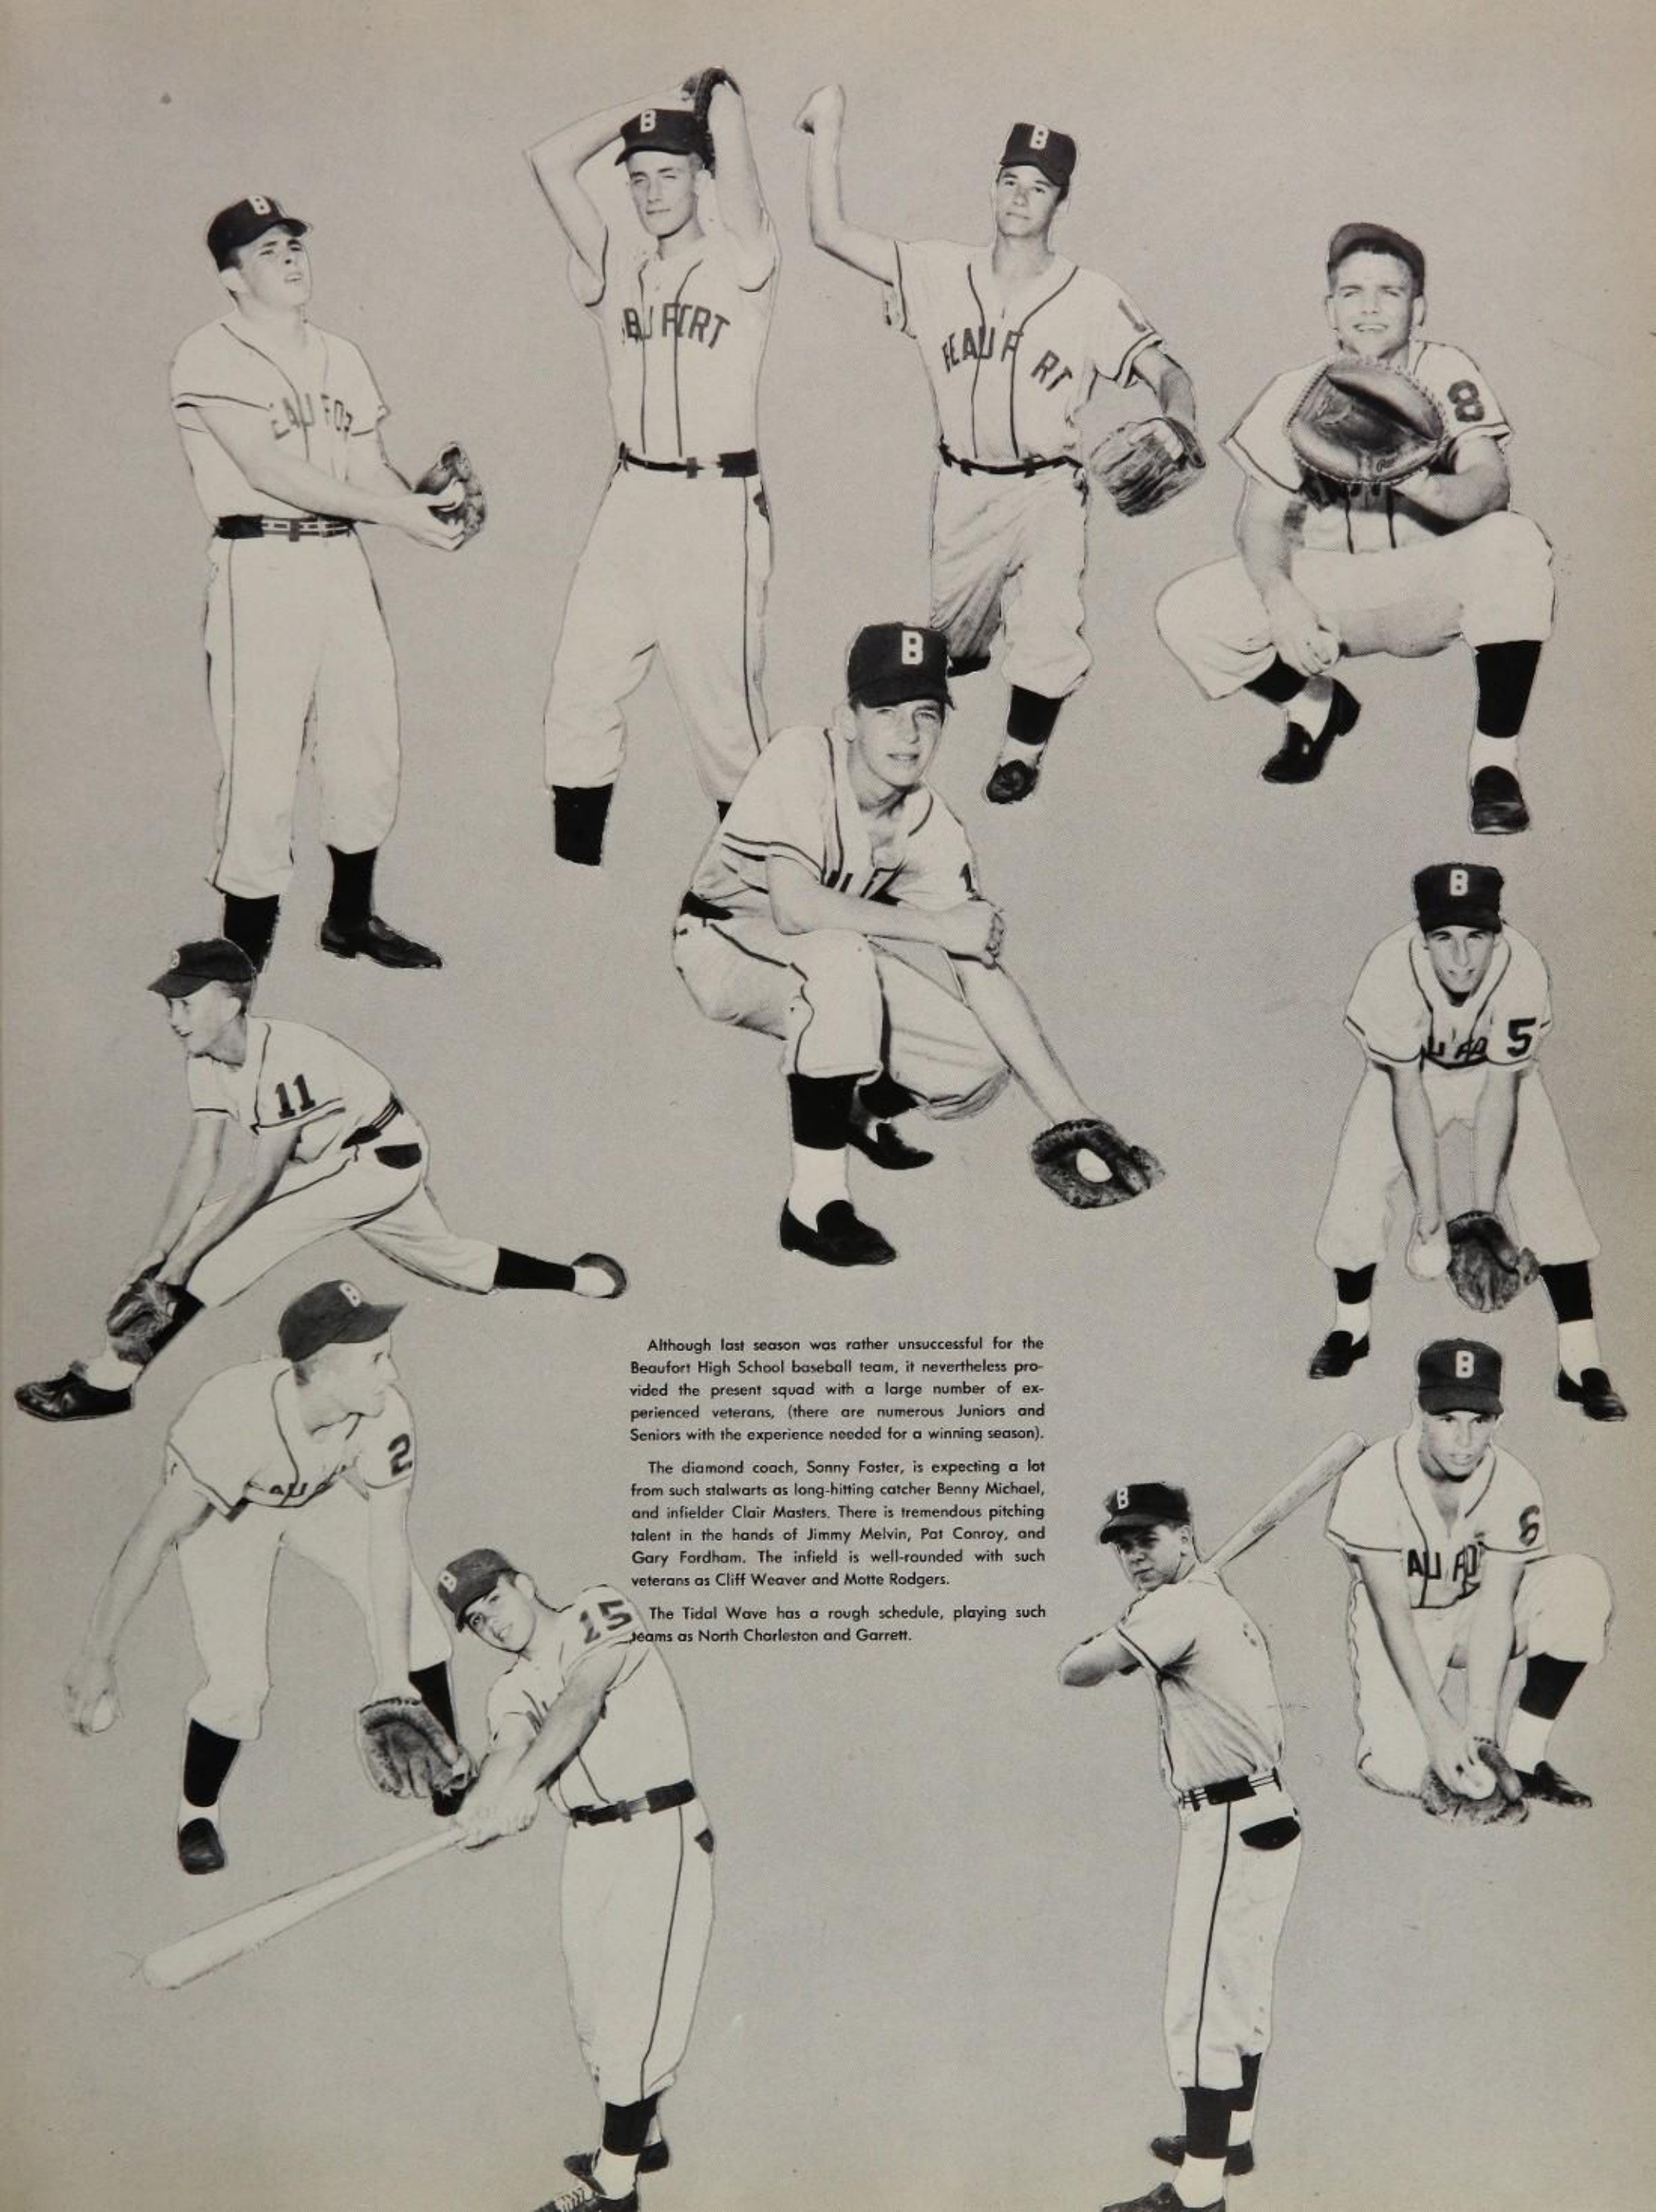
Heilker is ready for the throw.



Although last season was rather unsuccessful for the Beaufort High School baseball team, it nevertheless provided the present squad with a large number of experienced veterans, (there are numerous Juniors and Seniors with the experience needed for a winning season).

The diamond coach, Sonny Foster, is expecting a lot from such stalwarts as long-hitting catcher Benny Michael, and infielder Clair Masters. There is tremendous pitching talent in the hands of Jimmy Melvin, Pat Conroy, and Gary Fordham. The infield is well-rounded with such veterans as Cliff Weaver and Motte Rodgers.

The Tidal Wave has a rough schedule, playing such teams as North Charleston and Garrett.

BEAUFORT TRACK

The Conference 880 finish.

Track Coach Frank Small with team Manager Bruce Byrum and our State Runnerup Trophy.

Although the 1962 Tidal Wave did not take their sixth consecutive State Crown, the thinclads overcame many difficulties in capturing their ninth consecutive conference title, and the runner-up trophies at Lower State and State. The team had to adjust to a new coach, injuries to key personnel throughout the season, and a marked lack of experience in certain events.

Beaufort placed second in its class at the Furman Relays, continued its dominance of the Charleston Evening Post Relays by taking the most number of medals. The Tidal Wave also made a good showing at the Florida Relays in Gainesville.

Throughout the season the Tidal Wave lost only one meet, and broke eight school records. Ten seniors graduated, leaving many gaps in the Wave attack to be filled by the 1963 team.

YEARBOOKS OF DISTINCTION

To Susan;

We met in an unusual way. Although even
so, I'm not complaining. I really am glad that we
met. I have never known such happiness as I have
known with you. You are the first girl that I have
found in Beaufort S.C. that I have wanted to know
better. You to me are the prettiest girl around.
Your personality is tops. I have had a lot of fun with
you. I only hope that this relationship will continue
for a long, long time. You are a wonderful girl, & if you ever need
any thing or if you are in any kind of trouble,
just call me & I'll come a running. I hope that
you never have to go through all the heart aches in
life, that I had to go through. Life is nothing but
hard knocks & rough roads. May you have all the
luck in the world, when you start to travel over
them. Also when ever you get married, make sure
that it is the right person for you. Don't get married
too young. Too many people make that mistake.

I love you!

With all of my love

Bob King 64'

I received your
kind & wonderful letter dated
Tuesday & how always
great feeling for. 25 Sept 64
